AMENDMENT

The Commissioner of Patents
and Trademarks

Washington, D.C. 20231

Sir:

Since Interference Nos. 101,982 and 103,092 have been decided in applicant's favor, applicant requests that ex parte prosecution of this case be resumed.

The status of claims is as follows:

Claims 1, 35 and 36 have been cancelled.

Claims 2-26, 42 and 47-62, 63-75 (from interference 101,982) and claims 76-101 (from interference 103,092) are allowed or should be allowable.

Claims 27-29 and 43-46 are rejected.

Claims 30 and 31 are objected to but allowable.

Claims 32-34 and 37-41 are hereby cancelled, since these claims are now in divisional application 07/724,406.
